Six years ago, I picked up a camera with a simple goal—to tell stories through visuals. What started as a passion project soon turned into a full-fledged journey in wedding videography and filmmaking. Capturing raw emotions, unscripted moments, and timeless memories became my art. From my first wedding shoot to crafting cinematic experiences, Kunal CineFrames has grown into more than just a brand—it's a storyteller of love, laughter, and unforgettable moments. Every frame we create is a piece of history, and I can't wait to capture many more.

We booked Kunal as our wedding videographer in August 2024. He was absolutely brilliant and professional. He was very friendly and easy going and clearly enjoys his work. We were very happy with our final wedding video and he got nice drone footage of us aswel. I would highly recommend Kunal Cineframes for a wedding.
